

How to properly use EIU's Student / Enrollment Verification System

1. Incorrect Process ❌

The screenshot shows the EIU Student Status Verification System interface. At the top, there are social media icons and the email address support@eiu.ac. The EIU logo and name are on the left, and navigation links for Enrollment Verification and Award Verification are on the right. The main heading is "Student Status Verification System". A red banner at the top of the search area reads: "Wrong Format of the EIU student number, the system will not fetch any data because of the extra spaces." Below this, the search form is highlighted with a red border. It contains the label "EIU Registration / ID Number:" and a text input field with "EIU 0000" entered. A "QSearch" button is to the right. A red arrow points to the input field with a callout box that says "Make it sure no extra space".

2. Correct Process ✅

The screenshot shows the EIU Student Status Verification System interface, similar to the first one. The search form is highlighted with a red border. It contains the label "EIU Registration / ID Number:" and a text input field with "EIU0000" entered. A "QSearch" button is to the right. Three red callout boxes provide instructions: "1. Correct format with no extra spaces" points to the input field; "2. Click Search button" points to the "QSearch" button; and "3. Once the system recognize the student number, click the highlighted blue button below to start the verification process. The system will redirect you to a new tab with your information." points to a blue button at the bottom of the form that says "Record(s) found! [Click here to Verify]".
